

LADDER 2010/11

The Committee, after consultation with the membership, has decided to make significant changes to the running of the Ladder for the coming season.

It will be run as a single division for nine sessions on the third Thursday of each month commencing on 16 September with final positions being based on the best six scores out of a possible nine.

For this season only, the Committee has agreed that prize money will be awarded as follows:

1st	£100
2nd	£40
3rd	£20
4th	£10

Starting positions at each session will be random and allocated by the director. An arrow switched Mitchell will normally be used but a Howell will be introduced where appropriate.

The Committee is introducing these changes after careful consideration with the hope of making this major event in the Club's calendar more popular and resulting in an increased attendance.

Revised rules will be published shortly.
